

Wycliffe

**AN OUTSTANDING SPECIAL OFFER FOR
FORCES FAMILIES
FOR NEW PUPILS ENTERING THE SCHOOL
AFTER 1 SEPTEMBER 2016**

Wycliffe has a long and successful history of working with Forces' families. We are very proud of our boarding community and currently have over 100 Service children attending the College who benefit from the stable, healthy, challenging, fun and friendly environment provided by our Houses.

Wycliffe is set in a 54-acre campus, with views across the Stroud Valley. The Preparatory School is set in its own spacious campus and offers first-class modern academic, boarding and sporting facilities including a new state of the art classroom block. The Senior School has equally impressive classroom and other facilities which include a wonderful indoor sports centre, astroturf and modern boarding houses. The College is within easy reach of the major Army and RAF bases across the South West with excellent road transport links, a train station only 400 yards away and Heathrow, Bristol and Birmingham airports all easily accessible making Wycliffe the perfect choice for families based both in the UK and overseas.

Forces' families have enough to contend with today without worrying about the continuity of their child's education. With a full weekend programme, Saturday morning school and many activities and planned excursions, there is plenty of opportunity to keep children occupied and busy. It is also reassuring to know that during those times when parents might be on the front-line, Wycliffe has former Forces' staff on board who know exactly what an anxious time it can be for the whole family. Wycliffe provides *reassurance, care and support* for the whole family and these values are embedded as part of everyday life at the College.

Wycliffe supports the Forces Continuity of Education Allowance with a very generous Forces' Bursary, **with parents paying only 10% of the school fees plus the Continuity of Education Allowance**, to apply for each of the years in which the pupil has a place at the College. In addition, the College will waive the usual requirement of a £500 deposit on admission.
