

# Wycliffe Firefly Resources and Tasks

## Resources

<https://preportal.wycliffe.co.uk/dashboard>

Work will be set for you within your resources, then subjects:

# Wycliffe

The screenshot shows the Wycliffe dashboard navigation menu. The 'Resources' dropdown is open, showing a list of subjects: Art & DT, Challenge Club, Computing, Drama, English, ESOL, Games & PE, Geography, Gifted and Talented, Handwriting, History, Library, Mathematics, Matron's Page, Modern Languages, Music, Pre-Prep, PSHE & Tutoring, Religious Studies, Remote Learning, and Sciences. A 'View all sections' link is at the bottom left of the dropdown, and a link to 'See all 22 pages in this section' is at the bottom right.

The screenshot shows the 'Explore Computing' resource page. It lists various computing topics, with 'Year 8 Computing' selected. The selected topic includes a list of lessons: Tuesday 24th March Lesson 1 + 2, Wednesday 25th March Lesson 1+2, Thursday 26th March Lesson 3+4, and Thursday 26th March Lesson 5+6. Below these are links to various software and programming resources: Photoshop CS6, Dreamweaver CS6, HTML Coding Notepad, Excel 2013, Word 2013, Python Programming, Hour of Code, Code Combat, Binary Codes, and Python Debugging.

Choose a subject and click on it. You may then have to find the relevant year group, then hopefully, the relevant date should be listed.

For example:

You may have to do the work on a new document, or edit a document or visit a website.

## Tasks

You can then send in the completed work via your tasks.

Find the relevant task

Click on 'send a file.'

'Attach file', 'Attach file from Computer'

And then click 'send file'. And 'Mark as Done'
