How to Apply for a Scholarship

We strongly recommend that parents and pupils who wish to apply for a scholarship attend an Open Day or arrange a personal visit to the College prior to registering for a place. Please contact the Admissions Team for further information and to book.

Completed forms should be returned to the Admissions Office at Wycliffe College no later than **29th September 2025 for October 2025 assessments and 23rd February 2026 for March 2026 assessments.**

Please email forms to admissions@wycliffe.co.uk

Please complete the forms, save the PDF and email your completed form to Admissions, or please print and complete by hand.

If you require the full free application, please click on the Adobe Acrobat Reader icon and follow the instructions on screen.

Assessment Information

The scholarship assessment will take place at Wycliffe College. Details will be sent in advance to all candidates.

The assessment will include a review of your portfolio of work and a one-hour assessed design task and a product analysis task. Potential scholars will then attend an interview with the Head of Design Technology.

If you require any support or further information please contact the Admissions Team via email:

Sixth Form Design & Technology Scholarships include the following awards open to pupils applying from the state sector only:

- **Wycliffian Award** for all round ability. This award is open to external candidates only who are applying from the state sector.
- **Headmaster's Transformational Award**, this award aims to offer a truly transformational Wycliffian experience to the award holder. The Headmaster's Transformational Award creates an opportunity for a pupil who is academically strong, intellectually curious and will make the most of all that a Wycliffian education has to offer.

Application

All candidates applying for a 16+ Design & Technology Scholarship will be required to complete the application form and write a 400 word personal statement.

It is anticipated that an award-holder will show commitment to the wider academic, sporting, artistic and cultural life of our College community. The ability to make a meaningful impact on Sixth Form life will also be considered in making the award of a scholarship.

Guidance for pupils in writing your Personal Statement for Sixth Form Scholarships

We require candidates to hand write a personal statement of approximately 400 words. We recommend that candidates include how they demonstrate some of the following criteria:

Inspiration

- What inspires you in the field of design and technology?
- What related magazines or journals do you read?
- What books have you read that relate to your chosen Sixth Form course?
- How would a Design & Technology Scholarship at Wycliffe College help you to develop your knowledge and skills?

Future Aspirations

- What are your goals and aspirations?
- What are you planning to do after Sixth Form?
- What university course are you considering?
- What work experience do you have?
- What careers might you wish to pursue?
- How would a Design & Technology Scholarship to Wycliffe College help you achieve these goals?

Resilience

- What evidence can you use to demonstrate resilience when it comes to your studies?
- Are you a member of an extra-curricular society?
- Have you been involved with exhibiting your design work?
- Have you been involved in competitions?

Leadership

- In what ways would you expect to be a role model for other pupils during your time in the Sixth Form?
- Which societies will you expect to join, or set up, and play a leadership role in?
