# Day Pupil Transport Routes & Information

...

2025 / 2026 Academic Year

Bold & Loyal  
1882...

## Welcome from Adam Newman; Transport Manager

Wycliffe operates a fleet of modern, safe 17-seater and 9-seater minibuses, travelling along bespoke routes to and from the College. Our Home-to-College transport service is designed to be as flexible as possible and is regularly adapted to meet the needs of our families.

If you are considering joining Wycliffe or would simply like to explore the transport options available to you, our friendly Transport Team would be delighted to help. Please contact us on **01453 852807** or email [transport@wycliffe.co.uk](mailto:transport@wycliffe.co.uk).

We will happily take a few details and get back to you quickly to advise on what may be possible.

The schedule on the following pages outlines our current routes, all of which are reviewed regularly to respond to new requests and to ensure journey times remain as short and comfortable as possible for our pupils. Each year, parents are contacted in advance to help us plan routes that offer maximum convenience for families. We are proud of the flexibility of our service and will always do our best to accommodate new pupils and changing circumstances, even after the school year has begun, so please do get in touch if your needs change.

### Timings and Practical Information

Morning transport aims to arrive at school by **8.15am** (**Monday–Saturday**) and serves pupils in all year groups.

- **Senior School** afternoon transport departs from the Main Drive at 6.35pm (Monday–Friday).
- **Prep School** transport departs from the Pines Car Park at 4.30pm.
- There are no return transport services on Saturdays.

To support co-curricular activities, pupils may travel on either the earlier or later afternoon service, depending on availability. Seats on school transport are usually allocated on a return or single-journey basis, in response to high demand. Where space allows, occasional journeys (up to three per week) may also be booked on an ad-hoc basis with reasonable notice.

Transport fees are charged termly and are based on zone. One term's notice is required should you wish to end use of the service.

If you would like to discuss transport arrangements, or if you have any questions at all, please contact either the **Admissions Team** or the **Transport Team**—we are always happy to help.

**Adam Newman**  
Transport Manager
